

## IRMIA/2008 Information

- Indiana Residual Malpractice Insurance Authority was established by the State of Indiana in 1975.
- The mission of IRMIA is to provide a **financially stable** professional liability policy on an **occurrence** form for Indiana healthcare providers who have been declined by two standard companies.
- Management of IRMIA including legal defense service is provided by Medical Protective under contract with the Indiana Department of Insurance.
- Optional features – None
- Protection is limited to State of Indiana.
- Risk Management...CME credits available online; no premium credit.
- Fund Surcharge – Part time credits available ranging from 25% to 75%
- Premium Reduction Features – None; claims may increase the premium.
- Payment option is available
- MBI will continue to request advice from both Medical Protective and ProAssurance in attempt to secure protection for you in the standard market.
